

# High Performance, Without Compromise

## Powerful

This model offers the best of both worlds. It combines a high airflow with a great suction strength, making it as efficient to vacuum heavier debris as to clean large surfaces. It's the perfect model for a versatile use.

## Convenient

Like each of our models, you can use this vacuum unit with or without a bag, at any time! The bag is full and you're out of extras? Just remove the bag and the bag adaptor, and the self-cleaning filter of your central vacuum will do all the work!

## Quiet

Acoustic foam and rubber components soundproof all our units.

## Non-allergenic

Given its outstanding filtration system, you're sure to benefit from a healthier environment, whether you use it with a bag or without one! Indeed, all our models are equipped with a Cyclofiltre™ that has been provided with an antimicrobial treatment, so as to prevent the growth of mold, bacteria, and fungi that may be associated with allergies.

H615	ACYH615K
Water lift H <sub>2</sub> O	135.8" / 3450 mm
Airwatts	650 AW
Air flow	128.1 CFM / 217.8 CMH
Decibels	54
Amps MAX	7.3 A
Voltage	240 V
Number of motors	1
Turbines per motor	2
